**CRICHTON'S SWEEPSTAKE**

**Champion bull and high-selling animal in the 1950 sale. Bred and sold by Robert Reese, Columbus Grove, Ohio. Purchased for \$1400.00 by Perry Stangel, Sidney, Ohio.**

## **FOREWORD**

We extend a cordial invitation to all admirers of Shorthorn Cattle to be with us on March nineteenth. This offering of fifty-eight head is equal, if not superior, to any in the fine history of this event. Last year this sale was the best of its kind in America and we believe this offering is of higher average quality.

The twenty bulls are of herd-leading calibre; the four cows are proven producers, three with promising calves at foot. The thirteen bred heifers represent top inheritance and individuality, and carry the service of some of the best sires of the breed. The twenty open heifers are likewise a beautiful lot. All of these cattle are young and will prove rare investments.

Without doubt the most vital features of any sale catalogue are the pedigrees and the pictures. We have the former, representing the most dependable bloodlines in America and Britain, but it was impossible, due to weather conditions, to get as many pictures as we anticipated. Much time and effort has been spent in getting this offering ready for your appraisal on sale day. It will not disappoint you. These cattle are consigned by the leading breeders of Ohio who make this sale a show-window for their best productions.

This offering affords a rare opportunity to acquire good, sound, reliable foundation stock for the improvement of your herd and for the further advancement of the world's most useful breed of cattle.

Should you desire any further information, or if we may assist you in securing reservations, etc., please let us know.

## GENERAL INFORMATION

---

**TIME**—Monday, March 19, 1951. Show at 9:30 a. m.; Sale 12:30 p. m.

**LOCATION**—The Show and Sale will be held at the Delaware County Fairgrounds, Delaware, Ohio.

**TERMS**—Terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately after the conclusion of the auction. All stock will be at buyers risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from the purchasers.

All other cows and all heifers over fourteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

**BEACON'S IMMACULATE**—is a typy smooth son of one of the good sons of Crieffvechter Beacon and from the same family that produced the International Champion female for Clausen Bros. Many good bulls appear in this pedigree. This calf stood up well in the junior calf class at the 1950 Ohio State Fair. His dam is one of the best milkers on the farm.
